Responsibilities. The registered electrician who carries out the work stays responsible for the Certificate of Compliance, and any Record of Inspection must come from a party independent of the design. Any potential conflict of interest is flagged to you as soon as SolarLink is aware of it.

Send it through: solar-link.co.nz/contact → “Installer support”, or email info@solar-link.co.nz. Ad hoc support \$175 + GST per hour; per-job work quoted.
